Copy of 3

13 July 1956

Dear Francis,

Inclosed is a draft, in duplicate, of the proposed contract for thirty-two (32) sextants and related items, consisting of the Schedule, Appendix I and applicable General Provisions.

It will be noted that in Part XII, Special Considerations, of the Schedule that overhead and general and administrative expense rates have been fixed through 30 September 1956, and are provisional thereafter, subject to retroactive adjustment to conform with rates established for the next succeeding period.

It is requested that the draft be reviewed and this office advised as soon as possible whether or not you are in complete agreement with the provisions thereof. Should the draft be found entirely satisfactory you are authorized to proceed with the work. Should you not agree with any specific provision, or provisions, of the draft the undersigned should be advised immediately in order that appropriate action may be taken. Upon completion of your review, please return the original copy of the draft to this office.

Sincerely yours

George
